Hubbard Student Pledge

*We the Students of Hubbard School Pledge,
That today we will achieve
because we believe*

Our goal is to be the very best we can be.

We will respect ourselves as well as others,

I CAN'T is NOT a part of our vocabulary.

*To us reaching for the stars
is only one step away,*

*Because knowledge is the key to
success and happiness.*

Hubbard School Song

*Hubbard School our alma mater
Stands a school so proud*

Red and white our colors wave

Gallantly unfurl

Onward ever be our watchword

Conquer and prevail

We will be forever loyal

Hubbard School we hail!

"This country remains the greatest on Earth, not because of the size of our military or the size of our economy, but because every child can actually achieve as much as they can dream"

Congratulations!
Teacher of the Year 2008-2009
Kimberly Wyatt-Jackson

"One hundred years from now, it will not matter how much money I had in the bank, what type of car I drove, or how big my house was. The only thing that will matter is if I made a positive difference in the life of a child. It is my sincere hope, prayer, and belief that I was able to instill in each of my students, that they are unique, lovable, and irreplaceable."
